Hale Centre Theatre Tree Planting Postponed; Autumn Arbor Day Scheduled

West Valley City – A tree planting Eagle Scout project originally scheduled for this Saturday, October 20, at the Hale Centre Theatre has been postponed due to the approaching storm. The project will be rescheduled for a later date as weather permits.

Though this weekend's project has been postponed, a West Valley City Autumn Arbor Day event has been scheduled. On Thursday, October 25, at 11:00 a.m., West Valley City officials will be assisted by students from Orchard Elementary School in planting three Pinon Pines and four Rocky Mountain Junipers in a streetscape located at 3800 South 6800 West.

This planting is part of Salt Lake County Mayor Peter Corroon's One Million Trees for One Million People campaign.

For more information, contact West Valley City Park Forester Darin Nerdin at 509-1039.
